

Sara Alqaisi

Junior UX/UI Designer | Design & Visual Arts Graduate

Amman, Jordan | +962 7X XXX XXXX | sara@example.com

Professional Summary

Design and visual arts graduate and junior UX/UI designer with academic and practical experience in user research, user flows, interface design, and interactive prototypes. Seeking an opportunity to turn user needs into clear, usable digital products.

Education

Bachelor's in Design & Visual Arts — The University of Jordan

Amman, Jordan | 2022–2026 | GPA: 3.7/4

Relevant coursework: Interaction Design, User Experience, Visual Identity, and Application Interface Design.

Internship Experience

UX/UI Design Intern — Jordanian Design Studio

Summer 2025

- Participated in user interviews and organized and analyzed research findings.
- Designed user flows, screens, and interactive prototypes using Figma.
- Collaborated with the team to improve interfaces based on feedback.

Projects

Student Expense Manager

- Conducted eight user interviews and designed an experience for tracking spending and financial habits.
- Completed three testing rounds and reduced task steps by 22% in the final prototype.

Medical Appointment Booking Redesign

- Analyzed the booking flow and created a journey map and interactive prototype based on interviews and usability testing.
